Orages violents sur la France

Les eaux ont envahi plus de la moitié

DEPUIS DE LONGS MOIS, DES PHÉNOMÈNES MÉTÉOROLOGIQUES D'UNE ALARMANTE AMPLEUR SÉVISSENT SUR TOUTE L'EUROPE OCCIDENTALE, BOULEVERSANT LA VIE DE MILLIONS D'HOMMES. APRÈS UN HIVER LONG ET MEURTRIER, LE DÉGEL A ENFIN COMMENCÉ... HÉLAS ! LA FONTE DES NEIGES, AGGRAVÉE PAR DES PLUIES TORRENTIELLES, A AMENÉ UNE NOUVELLE CATASTROPHE : L'INONDATION ! ET LES EAUX MONTENT, MONTENT INEXORABLEMENT !...

NOTRE VIEIL AMI, LE PROFESSEUR
PHILIP MORTIMER.

*Dites donc, chauffeur, ça a l'air d'aller
plutôt mal à Paris en ce moment ?*

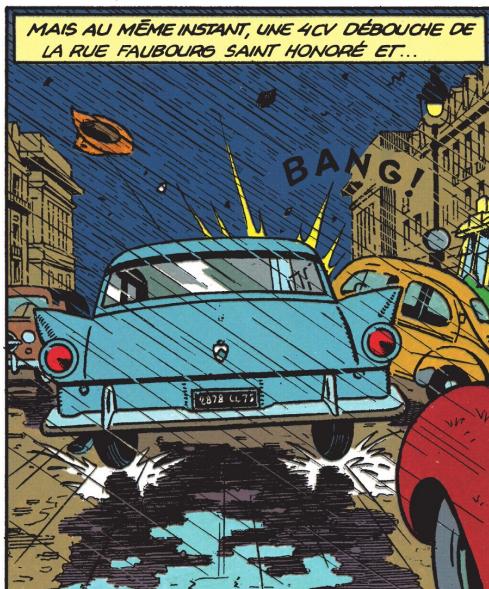

Dame, m'sieur ! Avec ce fichu temps qui n'en finit pas ! ...

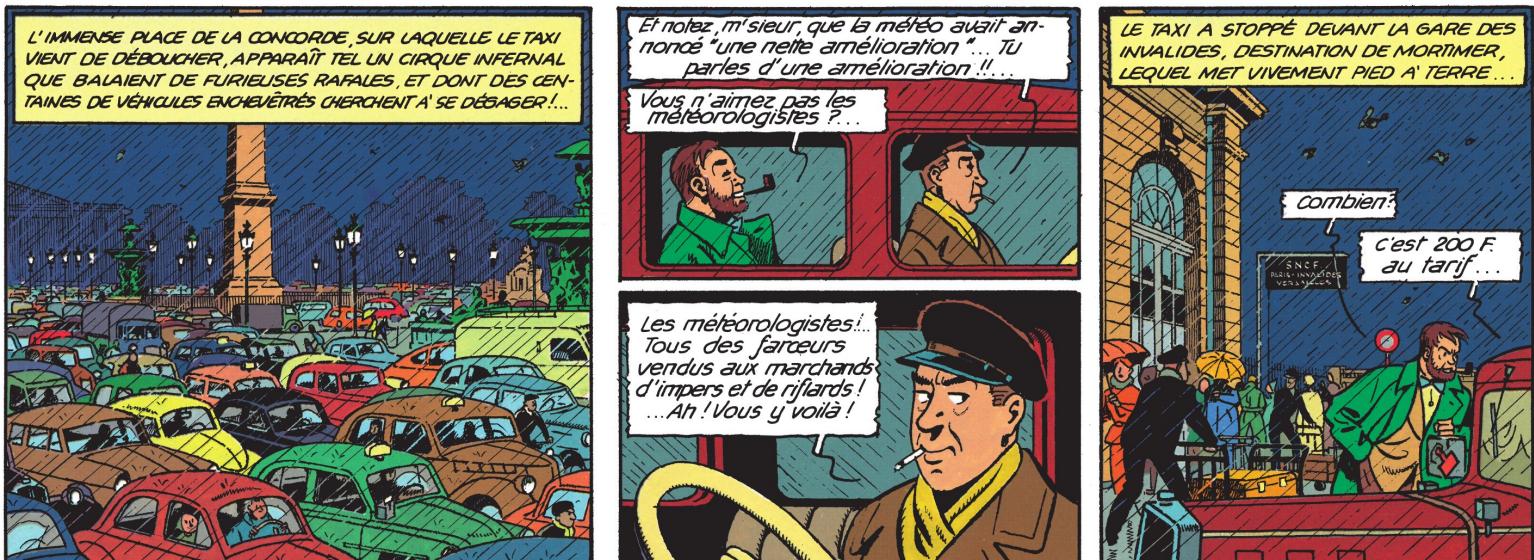

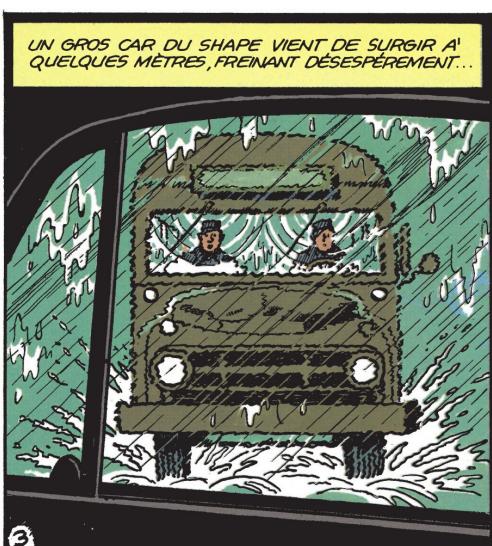

MAIS AU MÊME INSTANT, UNE 4CV DÉBOUCHE DE
LA RUE FAUBOURG SAINT HONORÉ ET

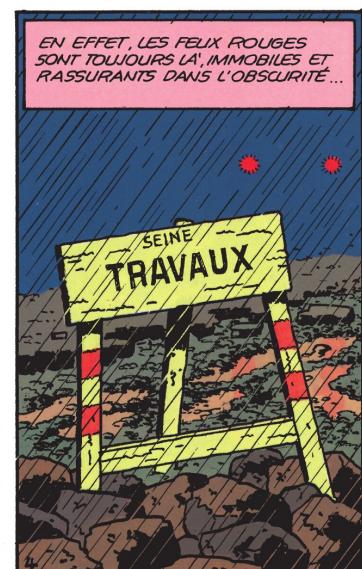

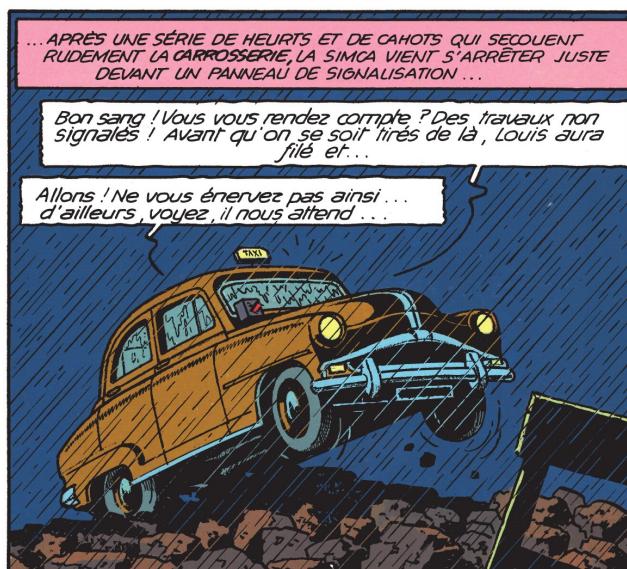

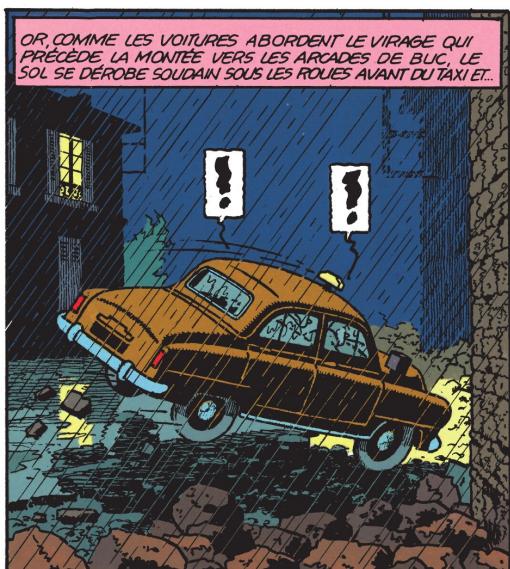

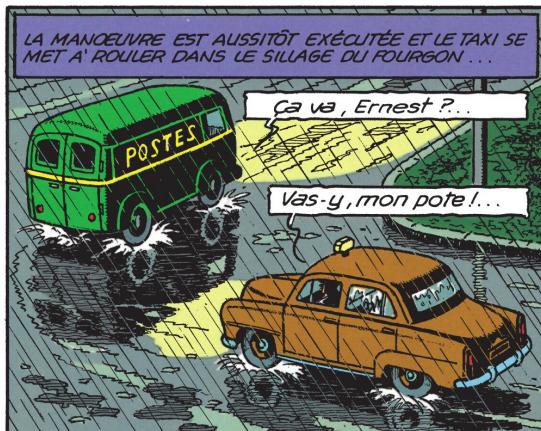

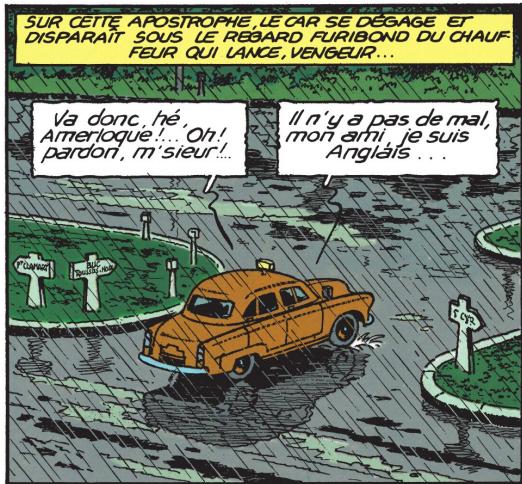

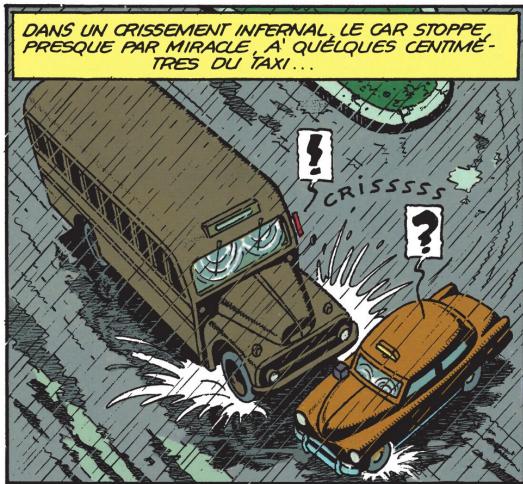

Qu'est-ce qui te prend ?
Tu brûles le feu rouge !!

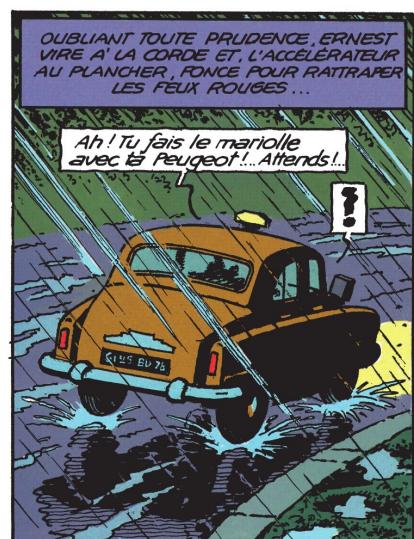

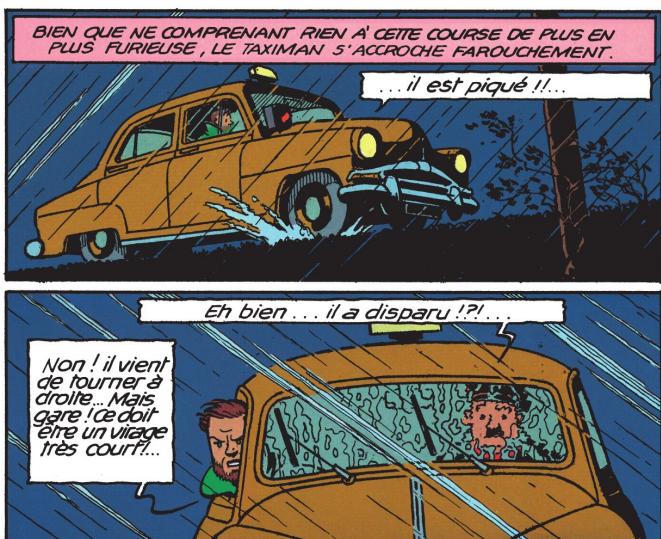

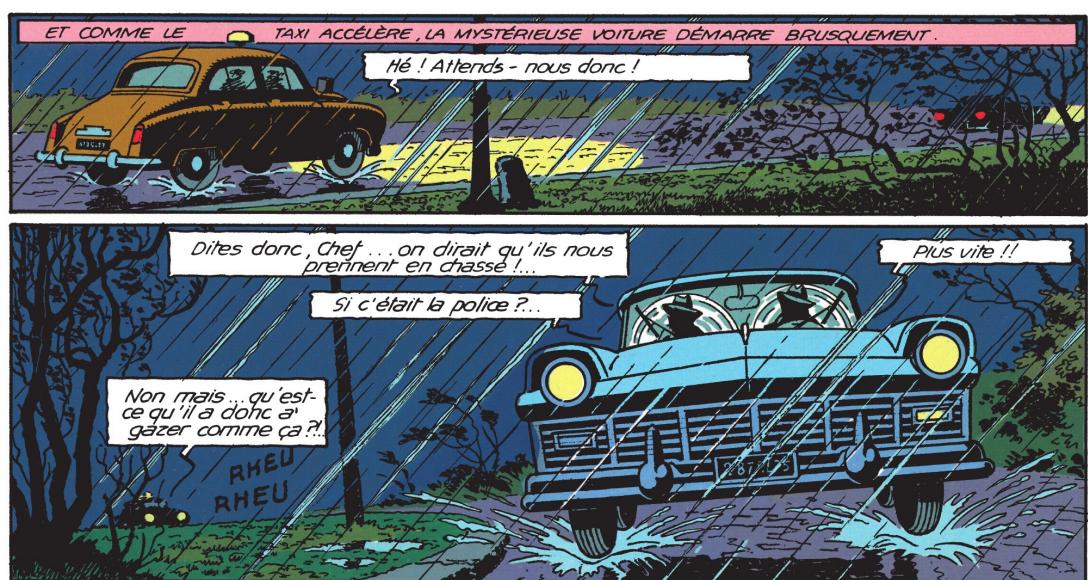

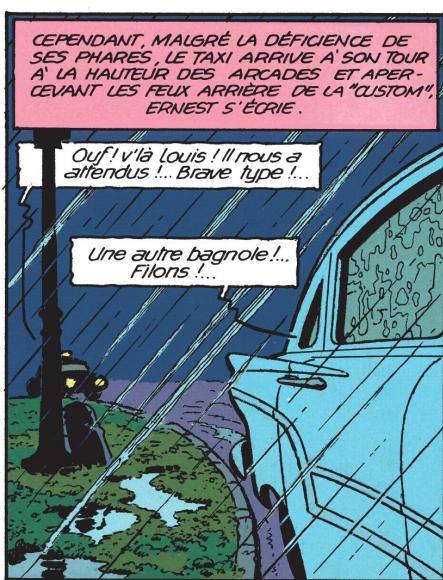

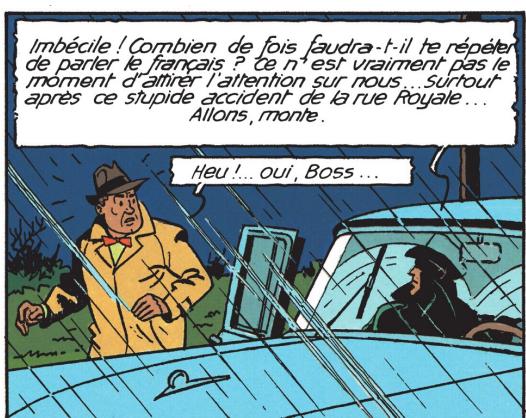

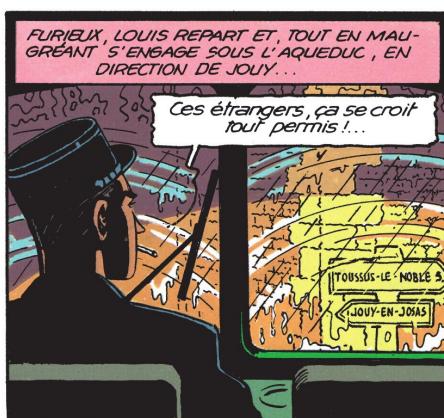

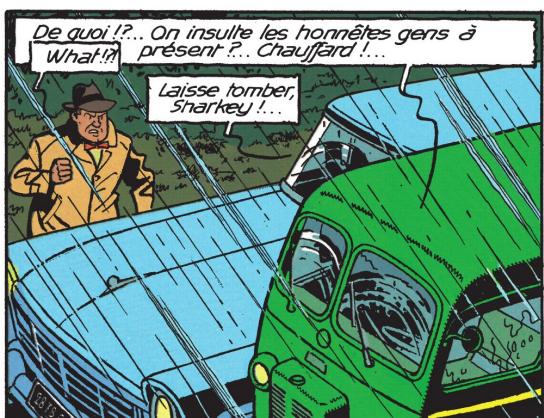

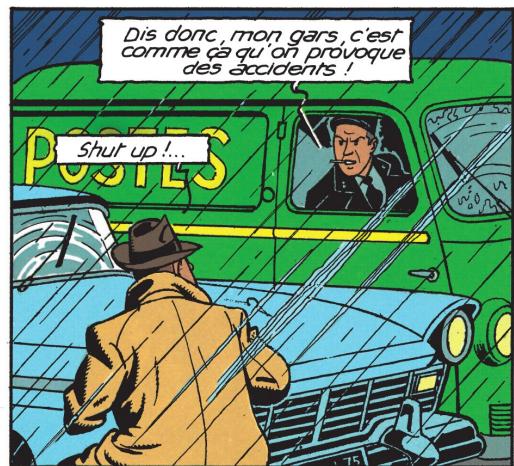

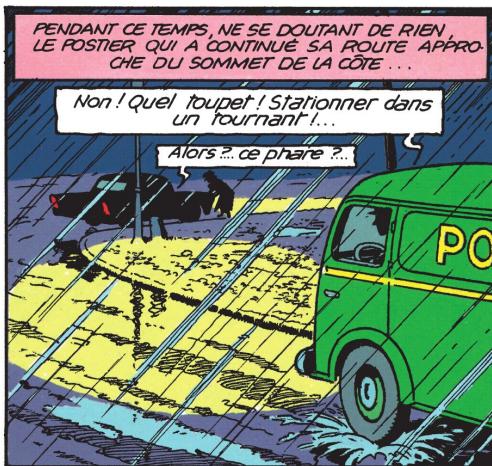

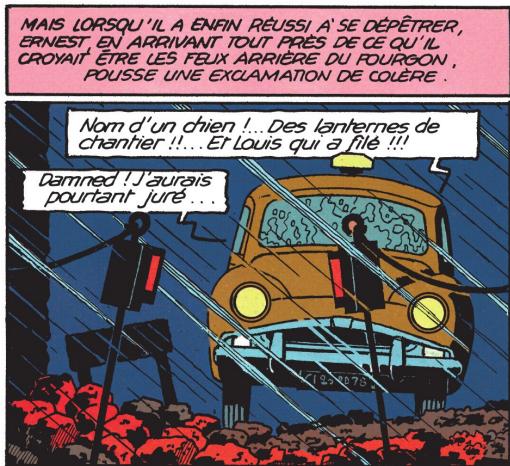

Sorry ! Le patron
nous attend !

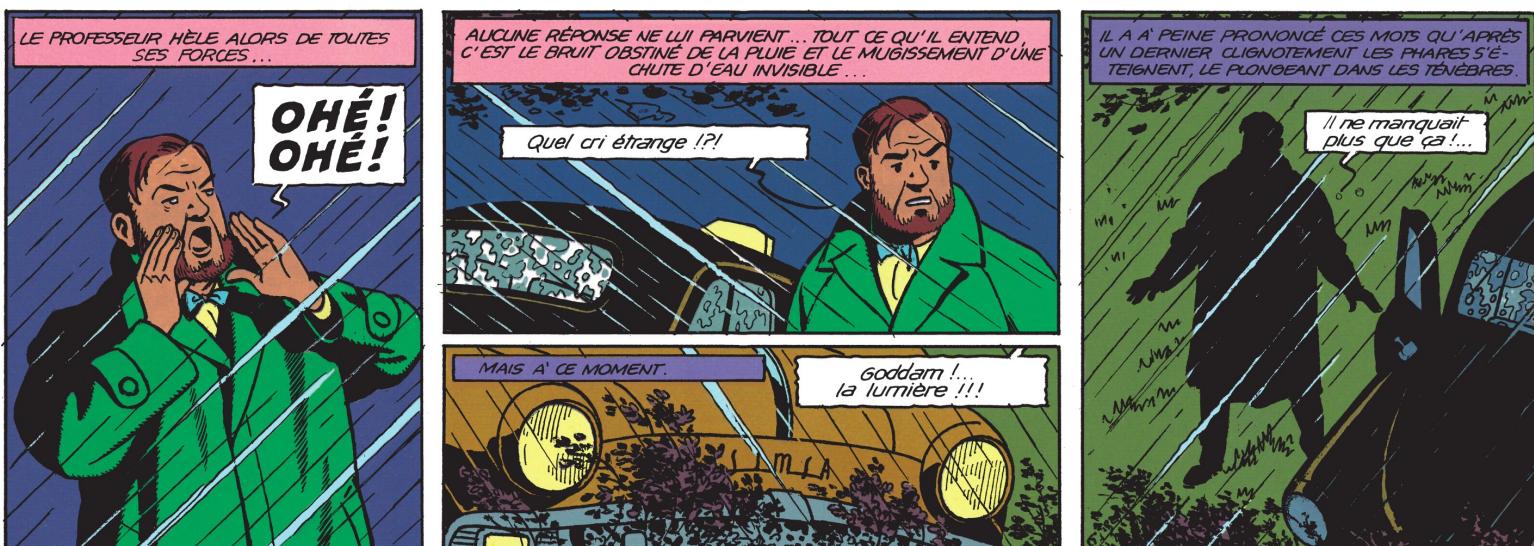

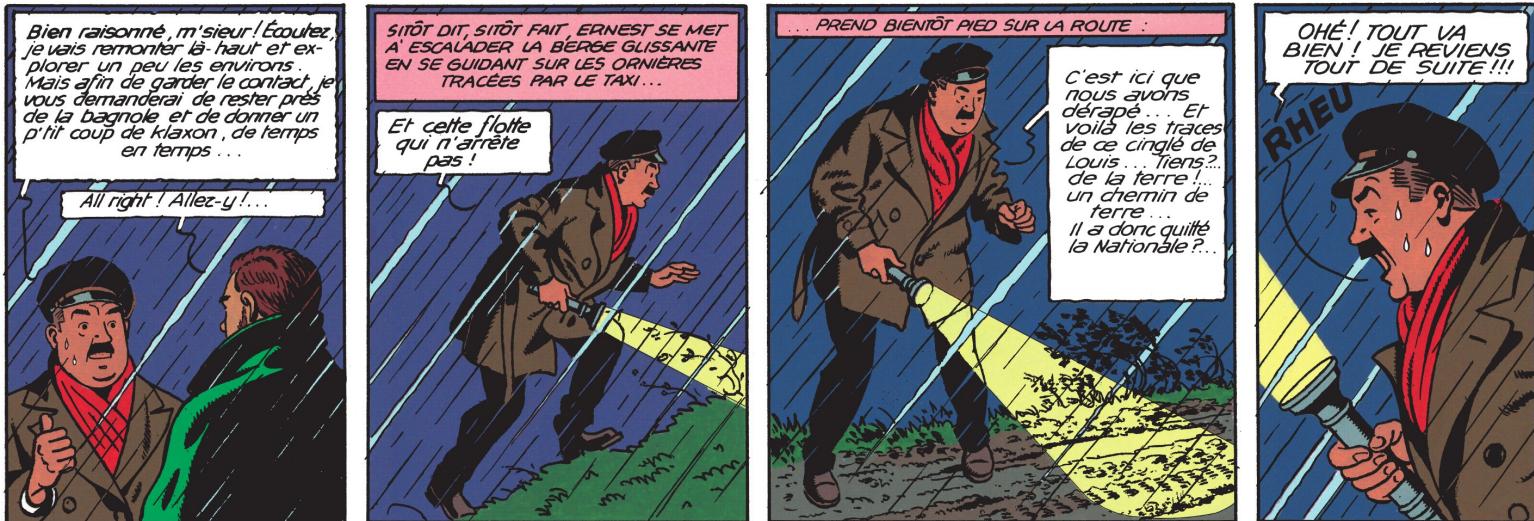

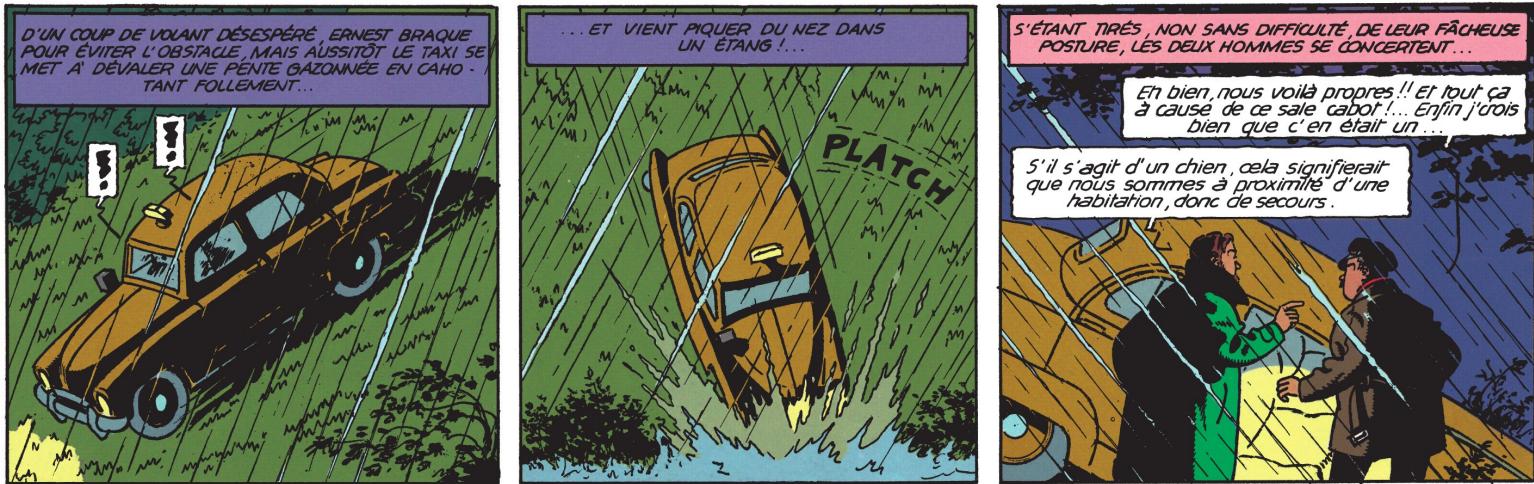

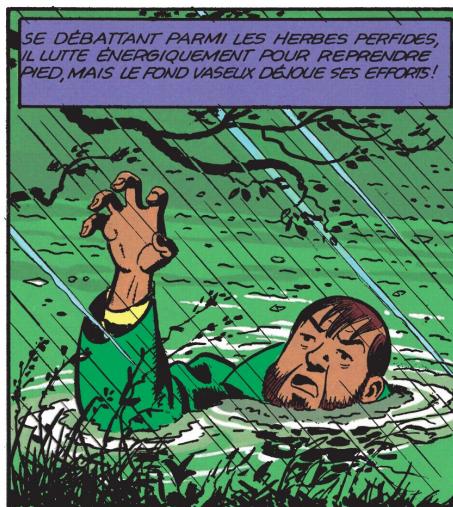

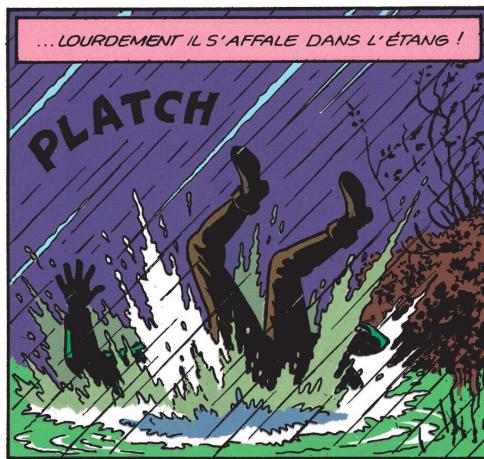

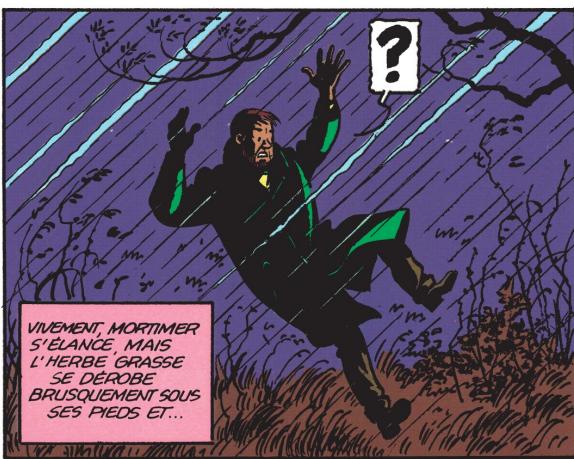

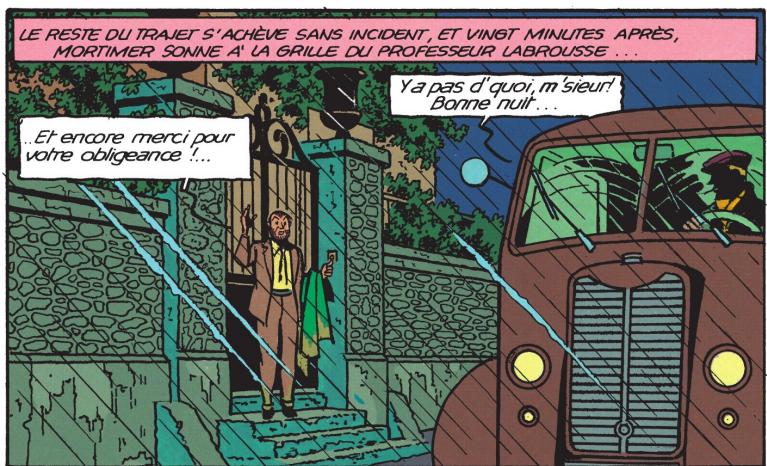

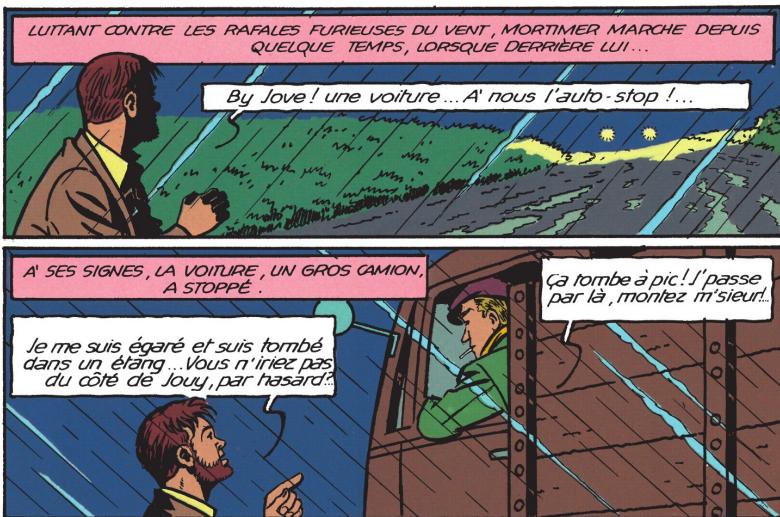

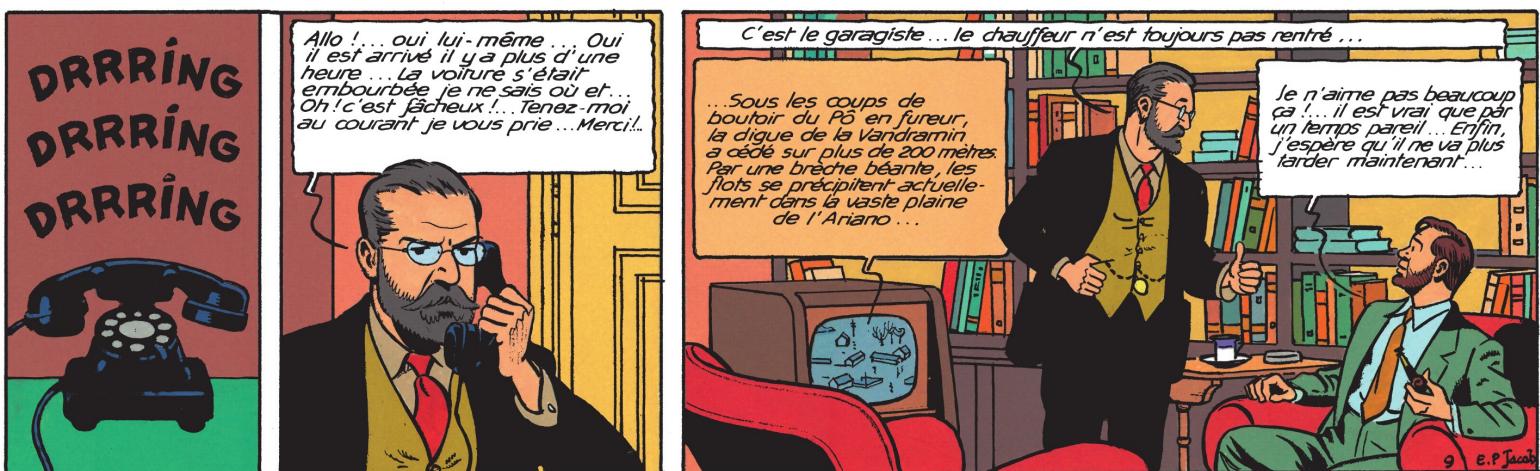

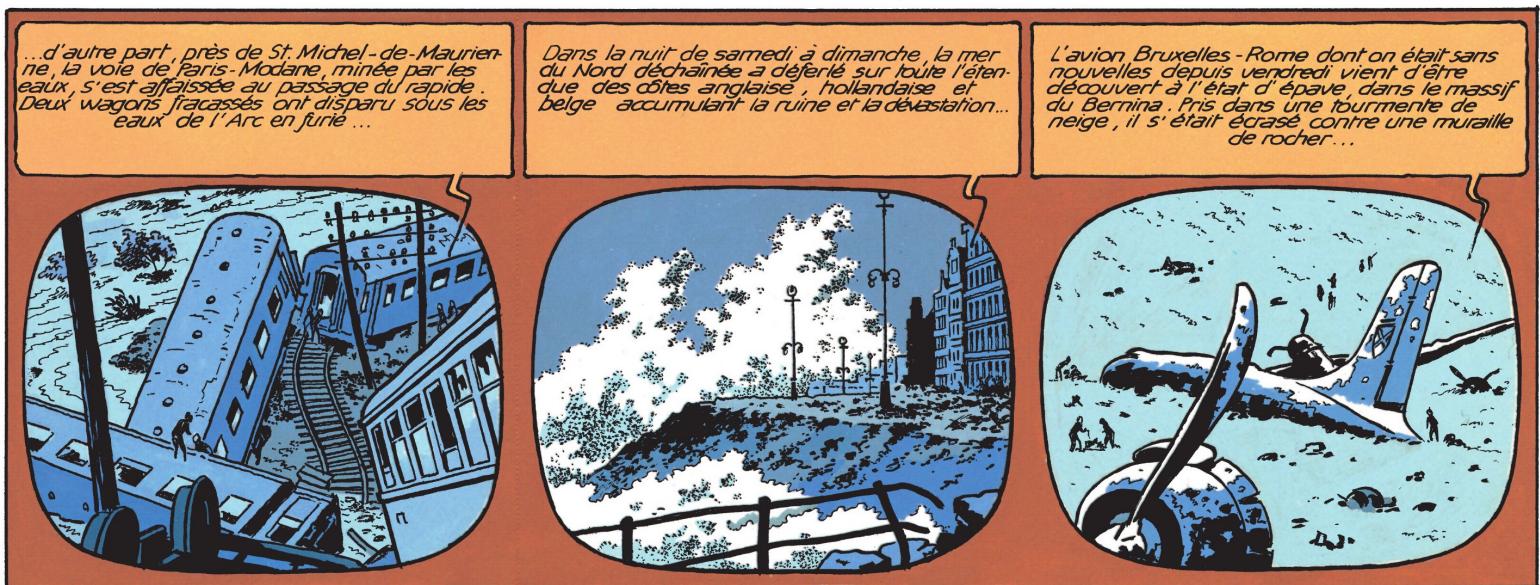

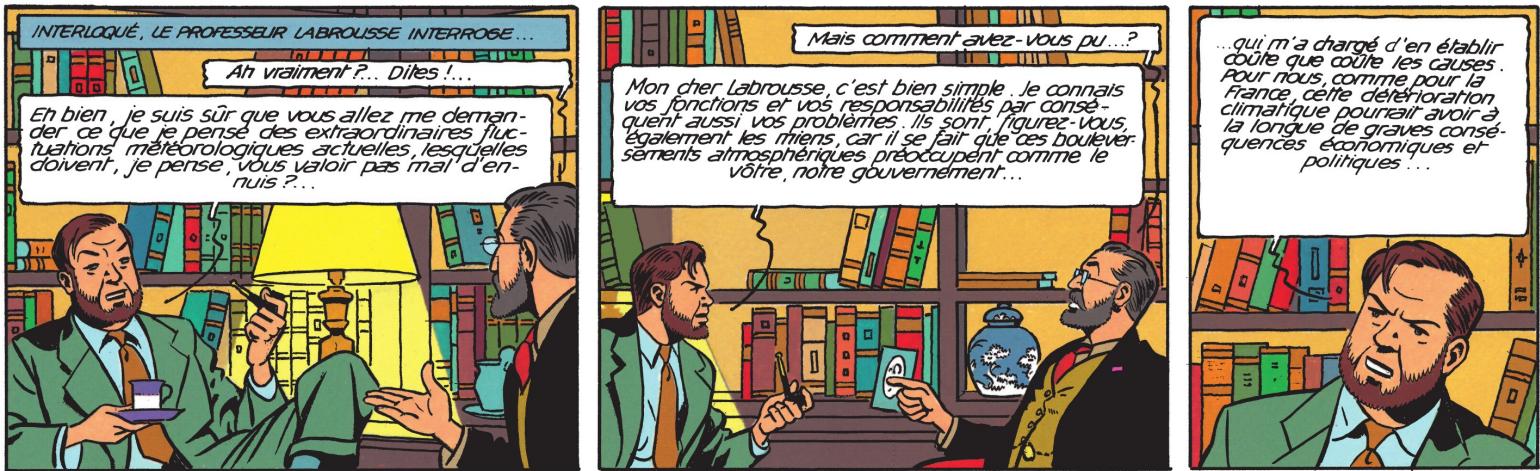

PENDANT CE TEMPS, À LA TV, LES NOUVELLES DÉSASTREUSES NE CESSENT DE SE SUCCÉDER ...

...en Europe centrale, la situation s'est encore agravée, c'est ainsi qu'en Bavière, le Danube et l'Inn conjuguant leurs efforts, ont envahi Passau, où l'eau atteint le premier étage des maisons ...

...un ouragan d'une violence inouïe s'est abattu sur la Côte d'Azur provoquant un raz-de-marée qui a fait de nombreuses victimes et endommagé les installations portuaires de Nice et de Cannes ...

grossis par des pluies torrentielles, le Turia, le Júcar et le Segura ont débordé, submergeant la moitié de la province de Valence. La ville elle-même a presque complètement disparu sous les eaux ...

...Et signe annonciateur, peut-être, de troubles sociaux plus graves, à Palerme, à la suite de la destruction des récoltes, la population ouvrière menacée par la famine manifeste ...

...Signalons enfin qu'un instituteur de Villeneuve - Minervois, dans l'Aude, assure avoir vu et photographié une étrange boule de feu, qu'il prétend liée à l'actuel détraquement du temps. Voici ce document que nous vous soumettons avec les réserves d'usage ...

Eh bien, comme vous le constatez : cela va de mal en pis ! ...

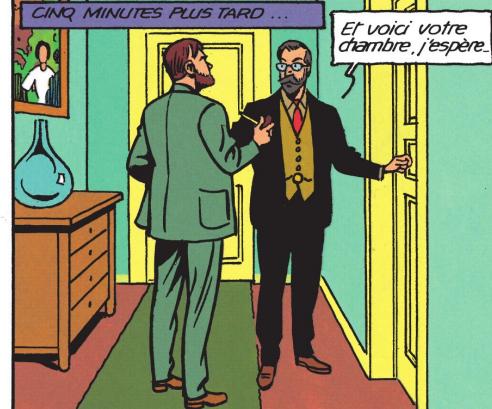

C'est que, singulière coïncidence, seul l'Occident est frappé, menacé d'affaiblissement et de ruine ... comme si ces terribles et déroutantes perturbations avaient un caractère voulu ...

Oh ! c'est là une simple suggestion, saugrenue peut-être, que je propose à votre attention de spécialiste ... Non ! ne me répondez rien pour l'instant. D'ailleurs il se fait tard ! ... Examinez cette idée calmement ... Et maintenant, allons dormir, la nuit porte conseil ! ...

CINQ MINUTES PLUS TARD ...

MAIS COMME LABROUSSE PÉNÈTRE DANS LA PIÈCE, UNE VIOLENTE BOURRASQUE OUvre BRUTALEMENT LA FENÊTRE, TANDIS QU'UNE ÉTRANGE LUMIÈRE ILLUMINE LA CHAMBRE ...

LE PROFESSEUR SE PRÉCIPITE SUR LES BATTANTS MAIS S'ARRÈTE MÉDUSÉ, CAR ...

IL APERÇOIT, MONTANT RAPIDEMENT DANS LE CIEL, UNE BOULE DE FEU QUI, APRÈS UNE FRACTION DE SEconde, S'EVANOUIT BRUSQUEMENT ...

Alors, mon cher, que diagnostiquez-vous ?... Hallucination ou ...

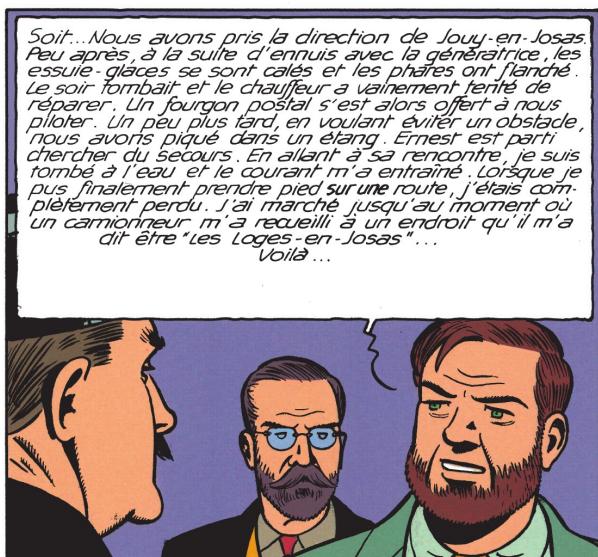

LE LENDEMAIN MATIN, LA PLUIE A CESSÉ, MAIS UN VENT VIOLENTE CHASSE UN CIEL DE NUAGES BAS ET LOURDS.

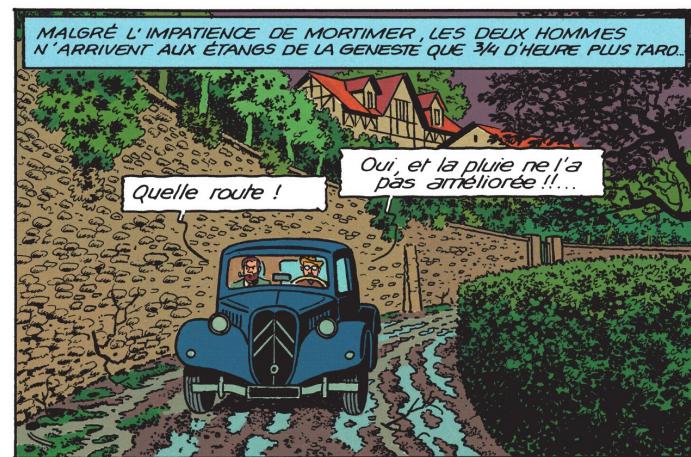

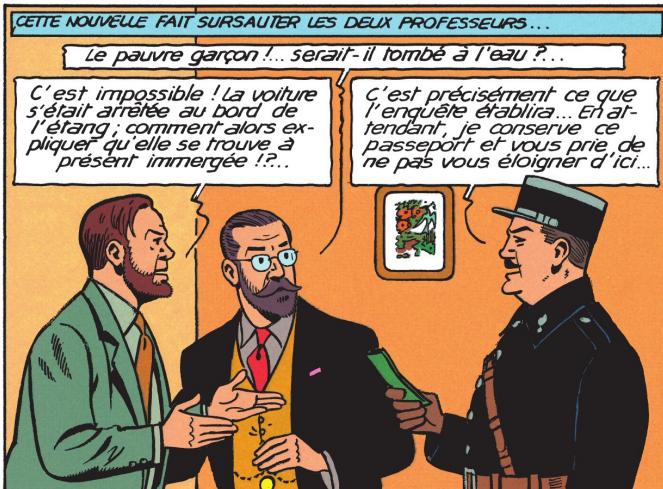

Hello! Labrousse... J'espère que le petit phénomène météorique d'hier soir ne vous a pas empêché de dormir?

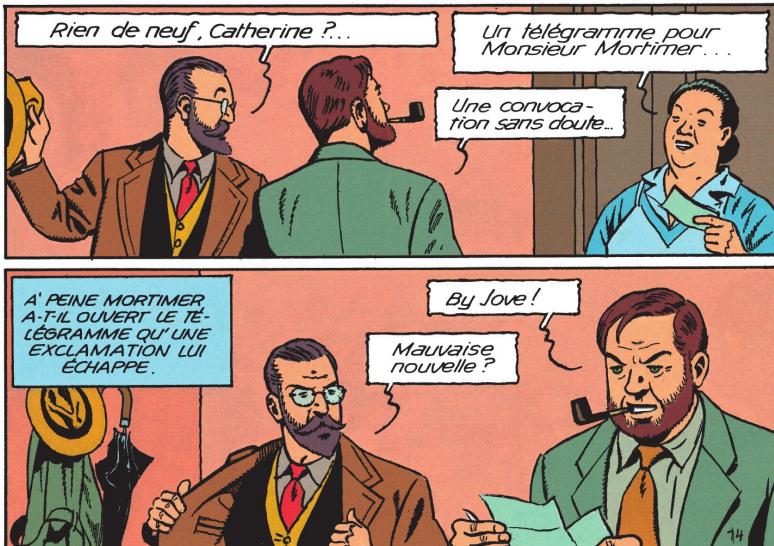

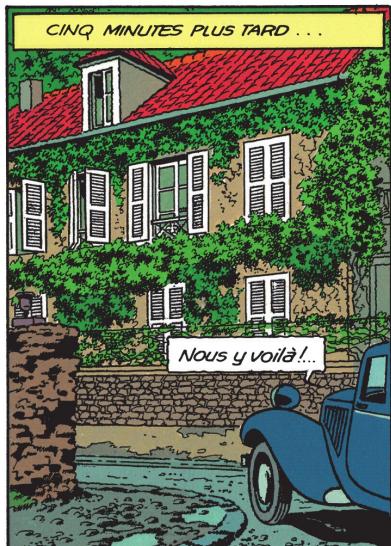

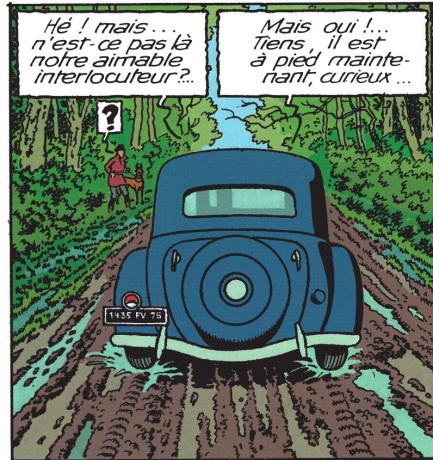

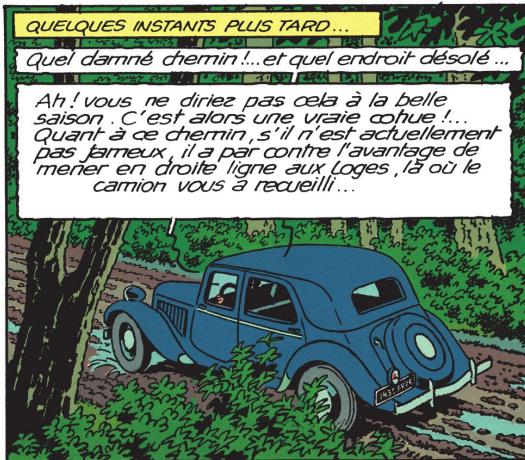

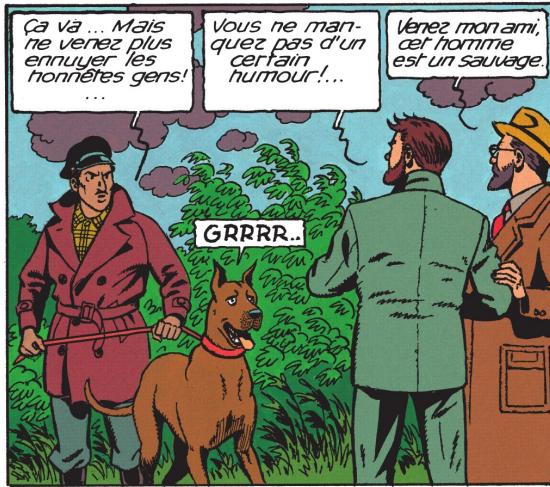

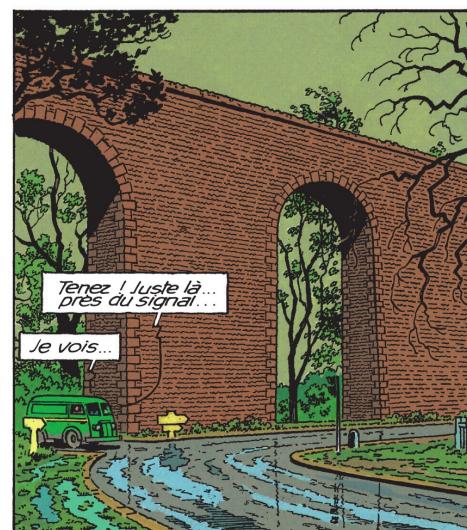

Et puis, je connaître le résultat de vos méditations nocturnes?

APRÈS AVOIR PRIS TOUTES LES DISPOSITIONS VOULUES AVEC PRADIER, BLAKE ET LABROUSSE ONT QUITTE LA D.S.T.

Et maintenant, occupons-nous de Mortimer ...

Oui, car son silence m'inquiète ! ...

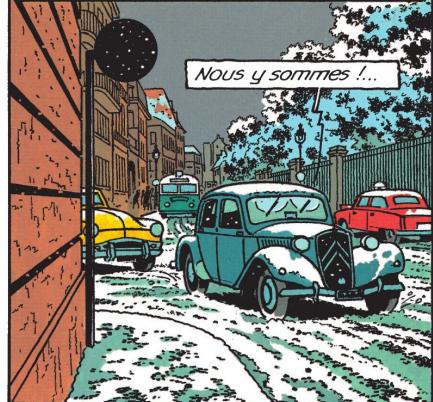

Il faut que je passe d'abord rapidement à mon appartement de la rue de Vaugirard, pour y prendre certains documents en vue de la réunion de ce soir.

Très bien ... Nous en profiterons pour téléphoner chez vous, à Jouy ... Peut-être Mortimer aura-t-il donné de ses nouvelles ? ...

EN COURS DE ROUTE, LABROUSSE A MIS BLAKE AU COURANT DES AVENTURES DE MORTIMER, LE SOIR DE SON ARRIVÉE, ET DE SES DÉMÉLÉS AVEC LES AUTORITÉS. ENFIN, IL A SOULIGNE L'IMPORTANCE QU'IL SEMBLAIT ATTACHER AU FAIT DE RETROUVER L'ENDROIT EXACT DE L'ACCIDENT ...

... AUSSI, LORSQU'ILS ARRIVENT RUE DE VAUGIRARD, LE CAPITAINE A-T-IL DÉJÀ UNE IDÉE ASSEZ COMPLÈTE DE LA SITUATION ...

A propos, ce "Trou salé", où est-ce ?

Je l'ignore ... Je ne connais aucun endroit de ce nom ... Mais bien entendu, je n'ai pas eu le temps de m'informer à fond ...

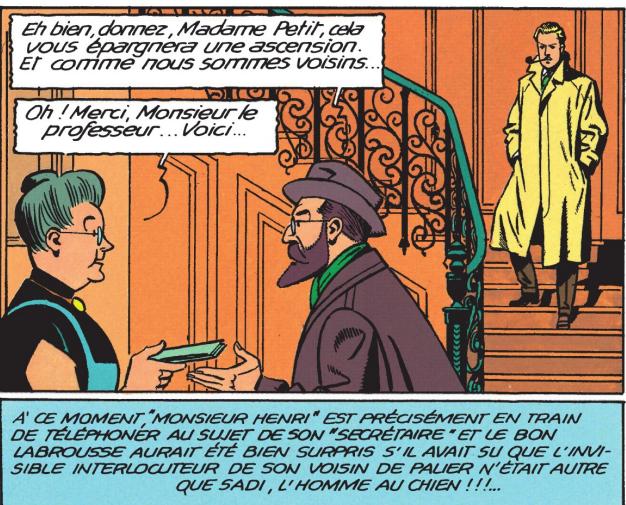

COMME ILS PASSENT DEVANT LA LOGE DE LA CONCIERGE, CELLE-CI APPARAÎT ...

Oh ! pardon, Monsieur le professeur, je croyais que c'était le secrétaire de Monsieur Henri ... J'ai du courrier pour lui ...

Et bien, donnez, Madame Petit, cela vous épargnera une ascension. Et comme nous sommes voisins ...

Oh ! Merci, Monsieur le professeur ... Voici ...

A CE MOMENT, "MONSIEUR HENRI" EST PRÉCISEMENT EN TRAIN DE TÉLÉPHONER AU SUJET DE SON "SECRÉTAIRE" ET LE BON LABROUSSE AURAIT ÊTRE BIEN SURPRIS S'IL AVAIT SU QUE L'INVISIBLE INTERLOCUTEUR DE SON VOISIN DE PALIER N'ÉTAIT AUTRE QUE SADI, L'HOMME AU CHIEN !!!!

Comment ? Il a pris la "custom" malgré ma défense ? C'est bon. Je vais lui apprendre à passer outre à mes ordres. Autre chose : comment se porte notre invité ? Ne le ...

TOC TOC

... On frappe ... Je rappellerai ...

Ah ! Ponchour professeur ! ... Entrez donc ...

Non une autre fois, cher Monsieur. Je suis pressé ... Voici du courrier pour vous ...

MAS A CE MOMENT "MONSIEUR HENRI" APERÇOIT SUBITEMENT LA SILHOUETTE DE BLAKE, QUI ATTEND A L'AUTRE BOUT DU PALIER, ET IL NE PEUT RÉPRIMER UN VIOLENTE HAUT-LE-CORPS.

MAS L'HOMME, QUI S'EST AUSSITÔT REJETÉ DANS LA PÉNOMbre DE L'ANTICHAMBRE, SIMULE UN ACCÈS DE TOUX ...

Heu ! Heu ! ... C'est ... cette maudite fragilité ... et ce sale temps ... Che n'a pas mis le nez dehors depuis huit heures ...

En bien, figurez-vous que j'ai pourtant bien cru vous rencontrer à Buc hier matin ... je me ...

A' PUC !? ... Heu ! ... En folâtre une idée ! ... Mais che ne suis pas allé à PUC !!! ... Heu ! ... Heu ! ...

Ah ! ... Excusez-moi ... Je croyais avoir vu votre voiture près des étangs de ...

Ma foiture !? ... Erreur, Professeur ! ... Che pense qu'il y a plus d'une foiture américaine à Paris, n'est-ce pas ? ...

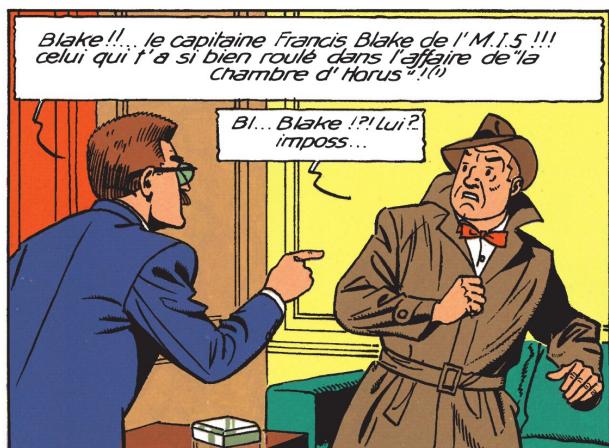

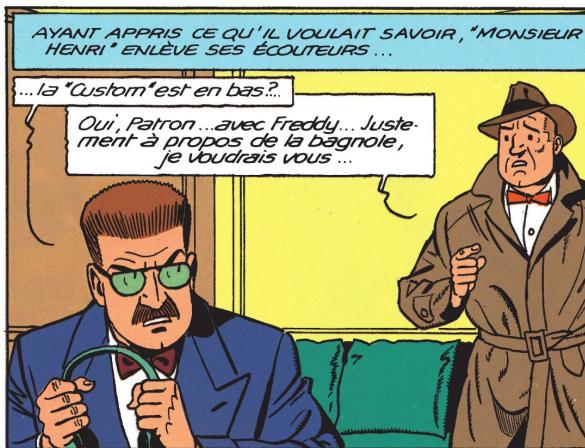

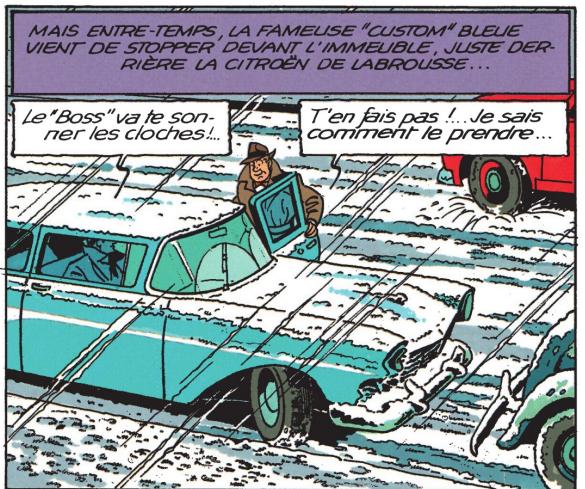

... Mais ...

ET SUR CES MOTS, COUPANT LA PAROLE À LABROUSSE, "MONSIEUR HENRI" REFERME BRUSQUEMENT SA PORTE ...

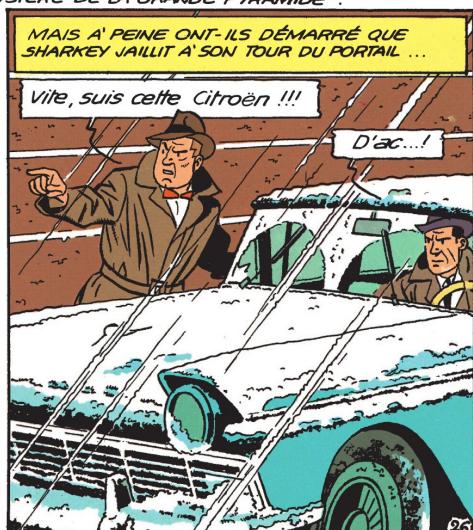

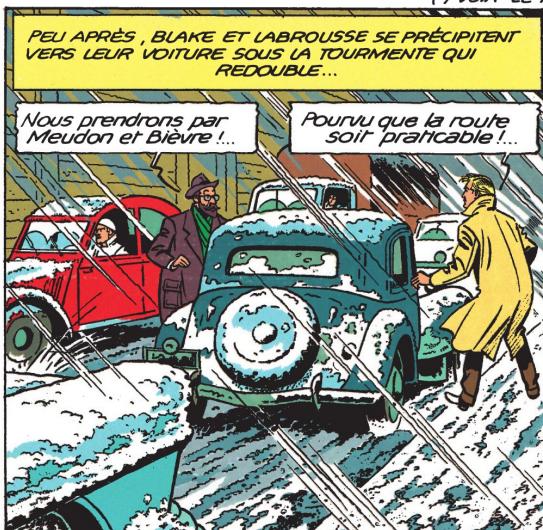

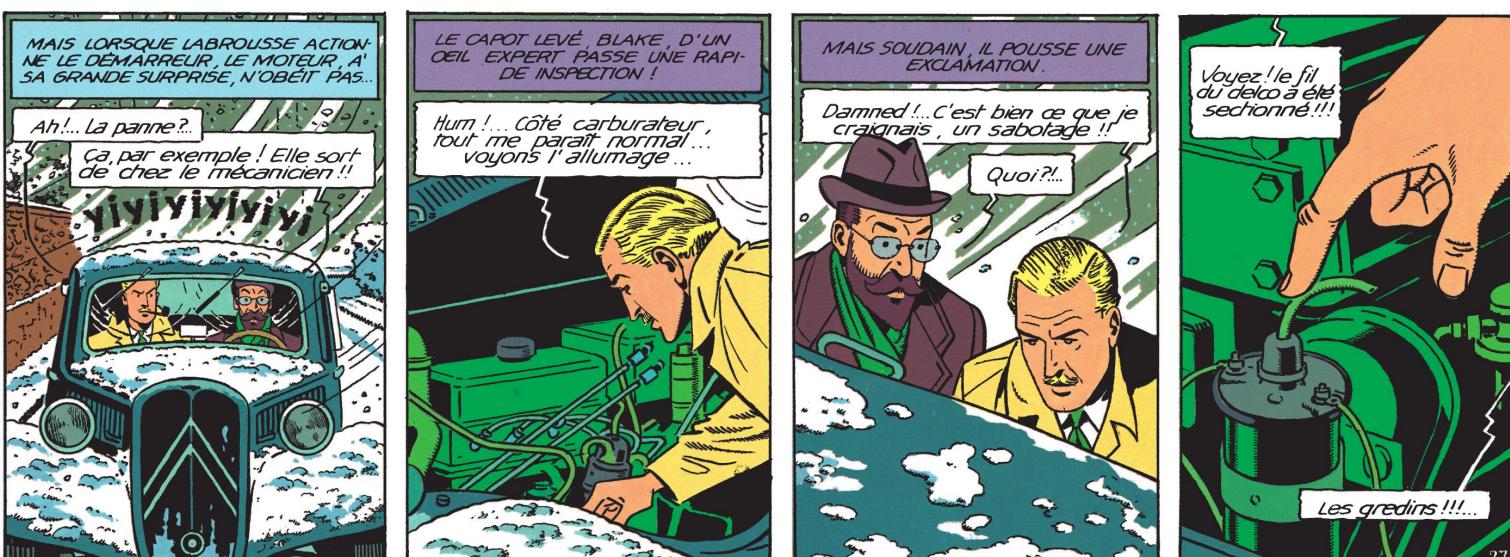

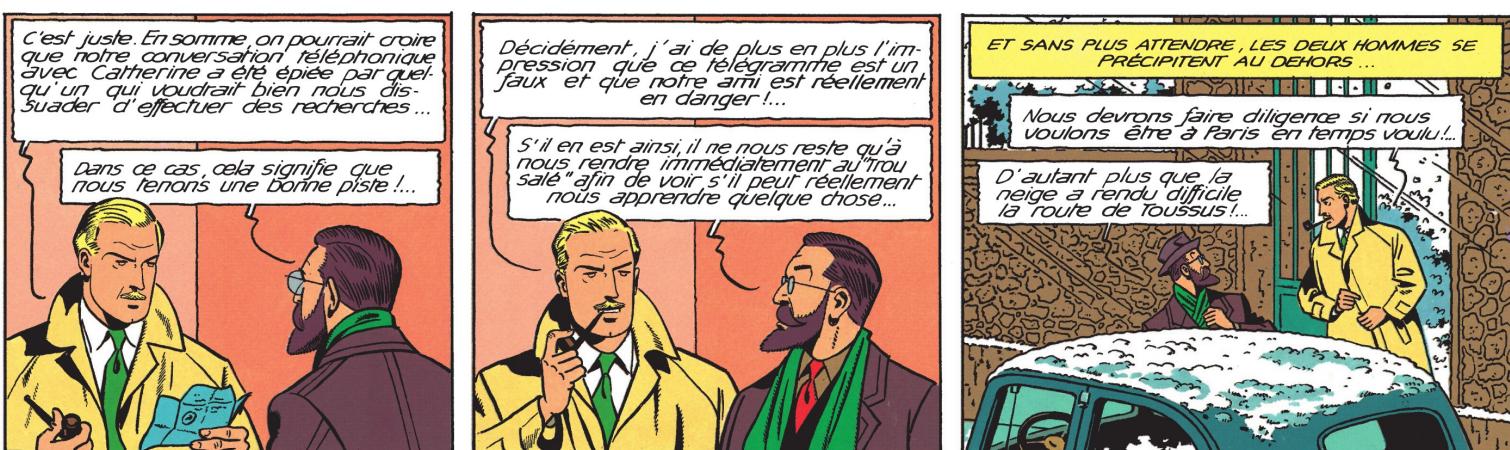

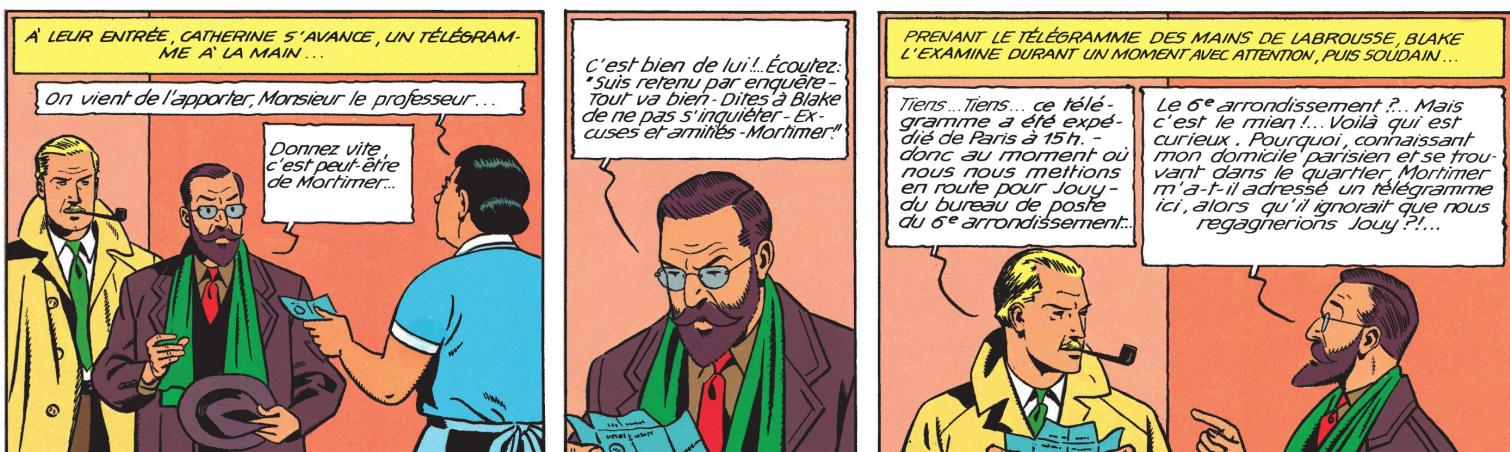

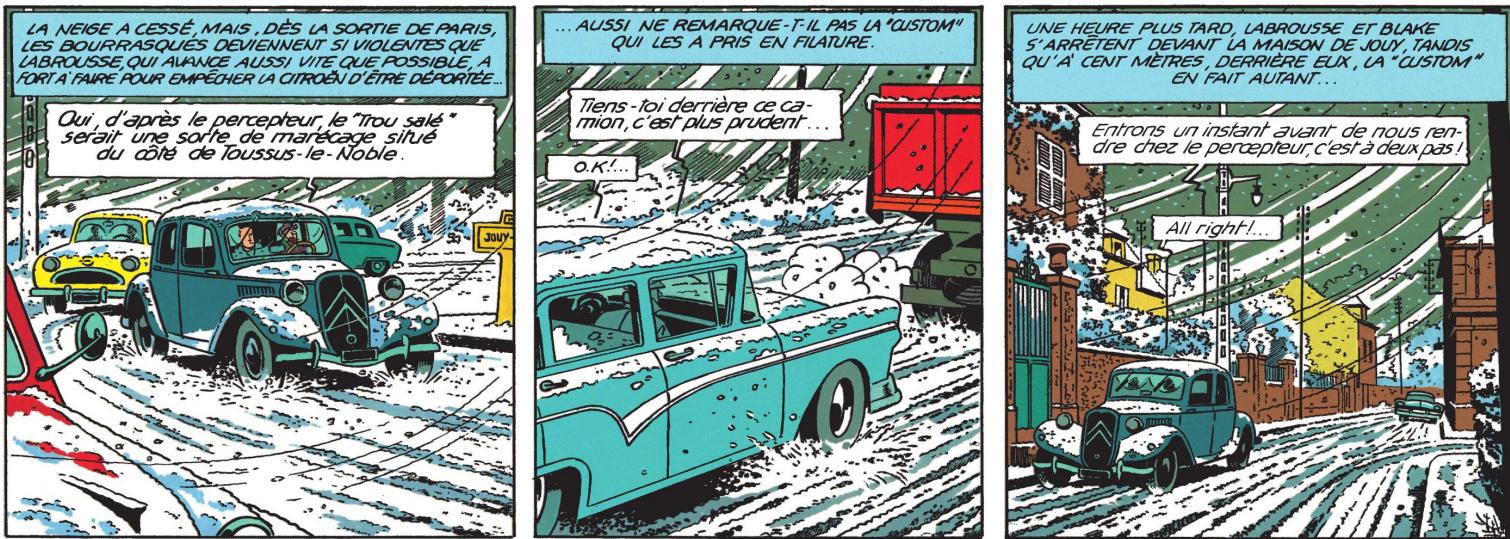

Plutôt mal luné, votre voisin ...

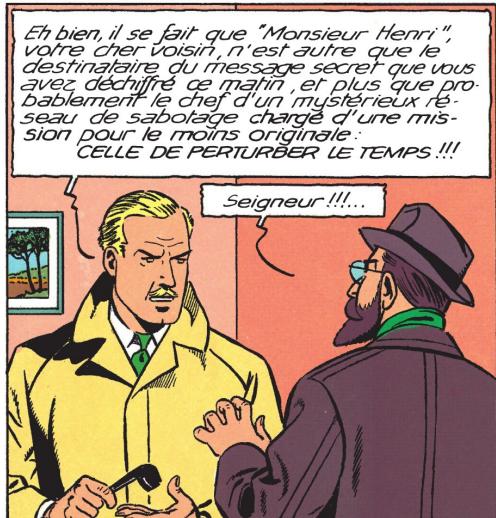

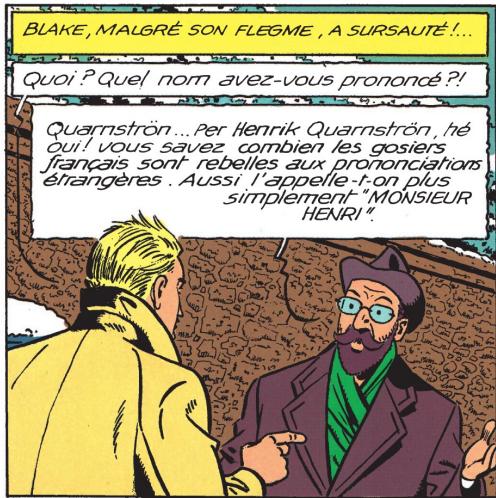

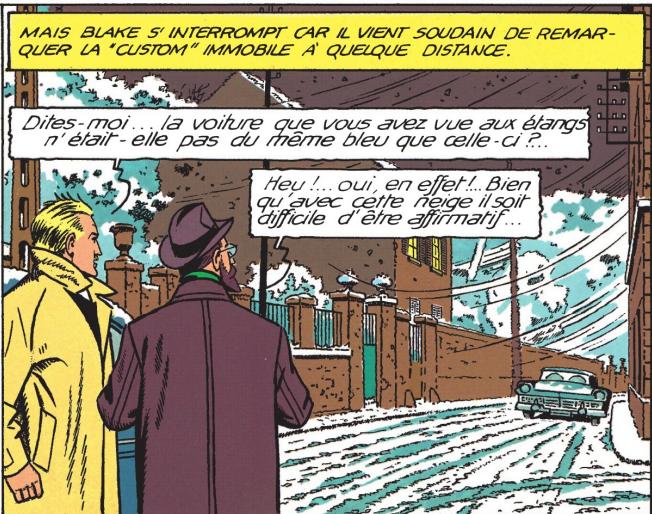

C'est curieux lui d'habitude si aimable ...
